

Kenneth Fraser BArch DipArch

Born in Greenock, Scotland 1964

1981-1987 Glasgow University, Mackintosh School of Architecture

Kenneth Fraser is a practice principal of Kirkland Fraser Moor. This is a newly formed company that has been established to focus on design and innovation, leading to sustainable products, processes and communities.

Kenneth has been a Practice Principal of Arup Associates. He has had extensive experience throughout the architectural field having completed work in the United Kingdom, Italy and Japan.

While at Nicholas Grimshaw & Partners, he was the project leader for new buildings at the University of Surrey. With Renzo Piano Building workshop he was project leader for the Rome Auditorium and the Padre Pio Pilgrimage Church.

Kenneth is a visiting lecturer at the Bartlett School of Architecture UCL and at KIAD Canterbury University, RIBA External Examiner at the Manchester Metropolitan University, advisor to the Department of the Environment Construction Research and Innovation strategy panel and Arts Council Architectural Assessor.
